Please fill in this questionnaire. It contains questions relating to your every day work routines as a school leader. The questionnaire touches upon (some – not all!) of the crucial issues relating to the 21c school leadership and allows you to reflect upon your leadership style and competences as a school leader.

Part I				
	Never	1-50% of my time	51-99% of my time	Always
1. I utilize full the potential of my teachers				
2. When evaluating the teacher's work I tend to focus on the end result rather than the process itself				
3. I make sure that the teachers are reminded who the boss is				
4. When faced with a new challenge I first try to apply tried-and-true methods which worked in the past				
5. I get irritated when teachers use internet devices in school meetings (e.g. browsing the Internet on their iPads or Netbooks)				
6. When faced with a new challenge I first try to think which of my teachers can solve it				
7. When I think about the next day in school I visualize new Ideas which I would like to share with my teachers				
8. Every two months or so I spend at least 10 minutes in a face-to-face conversations with every teacher in my school				
9. When faced with a new challenge I first try to think how I can solve it myself				
Part II				
	Yes		No	
10. I am a member of a professional association of school leaders in my country				
11. I know how to create a profile on Facebook				
12. I occasionally log onto discussion forums and trace what the students write about my school				
13. I know how to prepare a presentation in PREZI				
14. I know how to upload a file in Dropbox				
15. I am able to present a complicated idea in 30 seconds (pass the Elevator test)
